Vaccinations - 11,363,810

LATEST ★

 Free transport is now available to key vaccination sites in the Eastern Cape, KZN and Gauteng to people aged 50 and over. Click the TRANSPORT button  for details.

  Daily vaccinations are increasing. SA administered over 500 000 vaccines on Monday!

 Deaths not linked to vaccines. SAHPRA has investigated 32 cases of people who died around the time of their vaccinations. There was only enough information for findings on 28 cases. These deaths were NOT related to the vaccine.

 Mission vaccinate! President Ramaphosa calls on young people to make vaccination their mission and to share their vaccination photos on social media. Reply REGISTER to register now!
